HOTSTAR Isıtıcı Sanayi adı altında 1976 yılından bu yana ısıtıcı konusunda teknolojiyi yakından takip ederek, kaliteden ödün vermeden, daha iyi hizmet vermenin gururunu müşterilerine borçludur. Endüstriyel mutfak, sanayi fırınları, laboratuvar cihazları, beyaz eşya grubuna yönelik her türlü ısıtıcı imalatında yenilikleri ve teknolojiyi yakından takip ederek Hot Plate ve tüp ısıtıcılarda, seri üretimdeki adetli siparişlerde, üretim akışı en iyi şekilde dizayn edilmiştir. 1976 yılından buyana devam eden, tecrübeli ve üstün yetenekli teknik elemanlarımızın, düzenli organizasyonları ile adetli üretimlerde katıyen bir aksaklık yaşanmamakta, kalitede ve siparişlerde herhangi bir problem ve gecikme söz konusu olmamaktadır.

ISO9001,2001Belgesi

KEMAKEUR Kalite Belgesine sahip olan ürünlerimiz gerek Türkiye, gerekse uluslararası alanlarda pazarlanmaktadır. Şirketimiz bu sayede ülke ekonomisine katkıda bulunmakta ihracat ürünlerinin kalitesinde AR-GE ve teknolojik çalışmalarıyla önde gelen kuruluşlar arasında yerini almaktadır.

Our Enterprise, under the name of HOTSTAR Heating Industry and since the year 1976, has been closely following the latest technology regarding the heaters and by virtue of its customers, feeling the honor of rendering better services to them without giving any concessions on the quality. By closely following all novelties and updated technologies dealing with the production of any types of heaters which are included in the product category of industrial type kitchens, industrial type ovens, laboratory equipment and white goods, the production flow has been excellently designed for the quantity orders of mass produced Hotplates and tube heaters. Owing to the regular organizations which, from the beginning of 1976, have been carried out by our skillful and experienced staff, no failures have been ever arisen on the quantity orders and accordingly there exist no problems and delays in connection with the orders.

Our products which have the quality certificates of ISO 9001 2000 and KEMAKEUR, are being marketed both in Turkey and international markets. By this way, Our Enterprise has been contributing to the economic trend of our country. Through the quality of its export products and the studies oriented towards the new technology, research and development, it will take its place among the leading Companies.

1976 Bugüne

Güvenin temelinde kalite vardır.
